

EMRP

European Metrology Research Programme

■ Programme of EURAMET

EURAMET e.V. announces the launch of the 2010 call for the following topic areas within the European Metrology Research Programme, jointly funded by the European Commission and the participating countries:

- **Metrology for Industry**
- **Metrology for Environment**

The call encompasses a two-stage process for joint research projects and includes opportunities for researcher grants.

- o **Stage 1** of the call is for potential research topics and is open to any interested party, and opens on 12 February 2010: **Deadline 23:59 CET, 28 March 2010**
- o **Stage 2** of the call is for joint research projects and associated researcher grants and is subject to eligibility criteria, and opens on 21 June 2010: **Deadline 23:59 CET, 11 October 2010.**

Details are available on the dedicated website www.emrponline.eu.
