### ANNEX 4b – DECLARATION (RESEARCHER)

I, the undersigned, ... **[name of REG-Researcher]**, hereby make the following declarations:

1. I am aware that, according to contractual obligations towards the European Commission, EURAMET shall publish my name, as well as the title, subject and location of the awarded EMRP Researcher Grant, as well as the amount of support and the total cost of the EMRP Researcher Grant.
2. I authorise EURAMET to register and handle my personal data submitted to it within the EMRP Researcher Grant application and the application procedures.

Furthermore, I declare that EURAMET is explicitly authorised to send my personal data (if necessary) for the professional evaluation of the EMRP Researcher Grant and its implementation to persons involved in this procedure.

3. I state that the Research Activities funded by the EMRP Researcher Grant I perform under this EMRP Researcher Grant Contract No. ... **[RG Reference in bold]** are not funded by other national, European Union, or other international funding organisations.

I understand that the EMRP Grant Award shall only be used for the purposes it was awarded for. If my employment has been terminated or if the EMRP Grant Award has not been used during the time of the EMRP Researcher Grant, it shall not be used for anything else and must be reimbursed.

If this statement is false, I understand that the matter will be investigated and, if proven, will result in the termination of the EMRP Researcher Grant and that the European Commission will be informed in such case.

Signed as 3 (three) original copies, of which one shall be kept by the REG-Researcher and one by the Home Organisation, and the other one being sent to EURAMET by the Home Organisation in accordance with Clauses 4.3.3 and 8.2 of the Contract.
